**TENTH MONTHLY APPLICATION OF NIXON PEABODY LLP, AS COUNSEL FOR  
PUMPKIN PATCH LLC, FOR ALLOWANCE OF COMPENSATION  
FOR SERVICES RENDERED AND FOR REIMBURSEMENT OF EXPENSES  
INCURRED FOR THE PERIOD  
APRIL 1, 2010 THROUGH APRIL 30, 2010**

Nixon Peabody LLP (“NP”), as counsel for Pumpkin Patch LLC (the “Debtor”), as and for its application for allowance of interim compensation for professional services rendered for the period April 1, 2010 through April 30, 2010, and for reimbursement of expenses incurred in connection with such services (the “Application”), respectfully states as follows:

**I. FEES AND EXPENSES FOR WHICH ALLOWANCE IS SOUGHT**

1. This Application is made by NP pursuant to §§ 330 and 331 of title 11 of the United States Code (the “Bankruptcy Code”), Rule 2016 (a) of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), the Local Rules for the United States Bankruptcy Court for the District of Delaware (the “Local Rules”) and the United States Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 (Appendix A to 28 C.F.R. § 58) (the “Guidelines”) for: (a) allowance of compensation for services rendered to the Debtor in the aggregate amount of \$28,013.50; and

(b) reimbursement of expenses incurred in connection with the rendition of such services in the aggregate amount of \$75.60, for the period from April 1, 2010 through April 30, 2010 (the "Compensation Period").

2. During the Compensation Period, NP attorneys expended a total of 53.2 hours for which compensation is requested. To the extent that time or disbursement charges for services rendered or disbursements incurred relate to the Compensation Period, but are not processed until after the date hereof, NP reserves the right to request additional compensation for such services and reimbursement of such expenses in a future application.

3. NP maintains computerized records of the daily time sheets submitted by all NP attorneys. Preceding the time entries is a chart listing the names, billing rates and time spent by each of the attorneys rendering services on behalf of the Debtor. In support of this Application, copies of these computerized records, together with a computer generated detailed itemization of the expenses incurred by NP for which reimbursement is sought, have been furnished to the Debtor, the Court and the United States Trustee, and are attached hereto as Exhibit A.

4. NP seeks approval and payment of the fees and expenses incurred during the Compensation Period.

## **II. BACKGROUND**

5. On June 29, 2009 (the "Petition Date"), the Debtor filed a voluntary petition in this Court for relief under chapter 11 of the Bankruptcy Code. The factual background regarding the Debtor, including its business operations, its capital and debt structure, and the events leading to the filing of this bankruptcy case, is set forth in detail in the declaration

filed in support of the Debtor's chapter 11 petition and various first day applications and motions.

6. The Debtor continues to manage and operate its business as debtor in possession under Bankruptcy Code sections 1107 and 1108.

7. The Court has jurisdiction over this Application pursuant to 28 U.S.C. §§ 157(b) and 1334. Venue of this Application in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409. This Application is a core proceeding pursuant to 28 U.S.C. §157(b)(2).

**III. SERVICES RENDERED BY NP DURING THE COMPENSATION PERIOD**

8. The following is a non-exhaustive summary description of the primary services rendered by NP during the Compensation Period, which highlights the benefits conferred upon the Debtor, its estate and creditors as a result of NP's efforts. All of the professional services rendered by NP on behalf of the Debtor and its estate are set forth in the computerized time records maintained by NP, and the Court respectfully is referred to those records for the details of all of the work performed by NP.

**A. Claims Administration and Objections (Amount: \$14,534.00)**

9. NP expended 30.5 hours on work relating to the administration of claims and objections thereto. NP attorneys reviewed and analyzed dozens of proofs of claim filed by various creditors in the case and prepared an omnibus claims objection. In addition, NP attorneys analyzed issues relating to lease rejection claims, including the calculation of lease rejection damages.

**B. Plan and Disclosure Statement (Amount: \$8,295.00)**

10. NP expended 12.9 hours on work relating to the Debtor's plan and disclosure statement. During the Compensation Period, NP continued to devote substantial time

and attention to the plan of reorganization and disclosure statement, including coordinating with the claims agent, Garden City Group, regarding voting materials and vote tabulation. NP attorneys continued to revise the plan and disclosure statement, addressing revisions suggested by the United States Trustee.

11. The First Amended Chapter 11 Plan (the “Amended Plan”) and the First Amended Disclosure Statement were filed on April 14, 2010, and on April 16, 2010, the Court entered an Order (A) Approving Disclosure Statement; (B) Fixing the Voting Record Date; (C) Approving Solicitation and Voting Procedures With Respect to Debtor's Chapter 11 Plan; (D) Approving Form of Solicitation Package and Notices; and (E) Scheduling Certain Dates in Connection Therewith. NP attorneys further addressed an objection to confirmation of the Amended Plan filed by the Texas Comptroller of Public Accounts.

### **C. Summary**

12. The foregoing discussion only summarizes and highlights the more significant professional services rendered during the Compensation Period by NP on behalf of the Debtor in connection with this chapter 11 case.

13. The matters handled by NP have required thoughtful effort by the partners and associates of NP. NP submits that it has achieved the foregoing in an expeditious and efficient manner, always mindful of the costs to the Debtor’s estate.

## **IV. THE COMPENSATION REQUESTED**

14. § 330 provides that a court may award a professional employed under § 327 of the Bankruptcy Code “reasonable compensation for actual necessary services rendered . . . and reimbursement for actual, necessary expenses.” 11 U.S.C. § 330(a)(1). § 330 also sets forth the criteria for the award of such compensation and reimbursement.

15. In the instant case, NP respectfully submits that the services for which it seeks compensation in this Application were necessary for and beneficial to the Debtor's estate. NP further submits that the compensation requested herein is reasonable in light of the nature, extent, and value of such services to the Debtor, its estate, and all parties in interest.

16. In awarding compensation pursuant to §§ 330 and 331 of the Bankruptcy Code to professional persons employed under §§ 327 or 1103 of the Bankruptcy Code, the Court must take into account, among other factors, the cost of comparable non-bankruptcy services. The legislative history of this section aptly explained the need to provide for compensation comparable to other non-bankruptcy legal services:

The effect of [section 330] is to overrule . . . cases that require fees to be determined based on notions of conservation of the estate and economy of administration. If [those] cases were allowed to stand, attorneys that could earn much higher incomes in other fields would leave the bankruptcy arena. Bankruptcy specialists, who enable the system to operate smoothly, efficiently, and expeditiously, would be driven elsewhere, and the bankruptcy field would be occupied by those who could not find other work and those who practice bankruptcy law only occasionally almost as a public service. Bankruptcy fees that are lower than fees in other areas of the legal profession may operate properly when the attorneys appearing in bankruptcy cases do so intermittently, because a low fee in a small segment of a practice can be absorbed by other work. Bankruptcy specialists, however, if required to accept fees in all cases that are consistently lower than fees they could receive elsewhere, will not remain in the bankruptcy field.

H.R. Rep. No. 595, 95th Cong., 1st Sess. 329-30 (1977). See also 124 Cong. Rec. H11,091-92 (daily ed. Sept. 28, 1978); S17,408 (daily ed. Oct. 6, 1978).

17. The professional services rendered by NP required and will continue to require an expenditure of substantial time and effort. During the Compensation Period, in excess of 28.6 recorded hours have been expended by NP's professionals in the rendition of the required professional services and for which NP seeks compensation.

18. NP respectfully submits that application of the foregoing criteria justifies the compensation requested in this Application.

19. NP has encountered complex and difficult legal problems during the course of this bankruptcy proceeding, involving many areas of legal expertise in various areas. The professional services rendered in those matters have been performed by attorneys with broad expertise and high levels of skill in their practice areas or specialty. This highly professional and expert group of attorneys has ensured that the Debtor's case has progressed in an efficient manner.

20. During the Compensation Period, NP has been required to furnish extensive services that have often fully occupied the time of its attorneys, frequently to the preclusion of other firm matters and clients. If this was not a case under the Bankruptcy Code, NP would charge the Debtor and expect to receive on a current basis, an amount at least equal to the amounts requested herein for the professional services rendered. Pursuant to the criteria normally examined in bankruptcy cases, and based upon the factors to be considered in accordance with §§ 330 and 331 of the Bankruptcy Code, the results that have been achieved throughout this case more than substantiate charges in that amount. The services that NP has rendered thus far have produced benefits that have inured to the Debtor, its estate and its creditors.

21. The prosecution of these matters to date justifies compensation at least in the amount requested. Thus, NP requests that such compensation be allowed. In view of the policy underlying §§ 330 and 331 of the Bankruptcy Code that attorneys in bankruptcy cases be compensated on a parity with attorneys practicing in other fields, it is respectfully submitted that compensation should be allowed as requested.

22. In view of the foregoing, NP respectfully requests that it be allowed compensation in the amount of \$28,013.50 for the Compensation Period.

**V. DISBURSEMENTS**

23. NP incurred \$75.60 in expenses in providing professional services during the Compensation Period.

24. With respect to photocopying expenses, NP charges all of its clients \$0.20 per page for copies made. With respect to facsimile expenses, NP excludes charges for incoming facsimile transmissions. NP includes charges for outgoing domestic facsimiles at \$1.00 per page and outgoing international facsimiles at \$2.00 per page. These charges are intended to cover NP's direct operating costs for photocopying and facsimile facilities, which costs are not incorporated into the NP hourly billing rates. Only clients who actually use photocopying, facsimile, and other office services of the types set forth in the expense summary are separately charged for such services. The effect of including such expenses as part of the hourly billing rates would impose that cost upon clients who do not require extensive photocopying, facsimile, and document production facilities and services. The amount of the standard photocopying and facsimile charge is intended to allow NP to cover the related expenses of its photocopying and telecopying service.

25. If time constraints imposed by the circumstances of this case require NP's attorneys and other employees to devote substantial amounts of time during the evenings and on weekends to the performance of legal services on behalf of the Debtor, consistent with firm policy, attorneys and other employees of NP who worked late into the evenings are reimbursed for their reasonable meal costs and their cost for transportation home. NP's regular practice is not to include components for those charges in overhead when establishing billing rates, and to

charge its clients for these and all other out-of-pocket disbursements incurred during the regular course of the rendition of services.

26. In addition, same day and overnight delivery of documents and other materials may be required at times as a result of deadlines and/or emergencies necessitating the use of such express services. These disbursements are not included in NP's overhead for the purpose of setting billing rates.

27. NP has made every effort to minimize its disbursements in this case. The actual expenses incurred in providing professional services were absolutely necessary, reasonable and justified under the circumstances to serve the needs of the Debtor, its estate and creditors. None of the travel-related expenses of NP attorneys (to the extent such expenses are included herein) were for first-class airfare, luxury accommodations, or deluxe meals.

28. In view of the foregoing, NP respectfully requests that it be reimbursed in the amount of \$75.60 for expenses incurred during the Compensation Period.

## **VI. CONCLUSION**

29. The legal services summarized by this Application and rendered by NP to the Debtor during the Compensation Period were substantial, professional, and beneficial to the Debtor. They were reasonable and necessary to the preservation and maximization of the Debtor's estate.

30. As noted above, the amounts sought by NP consist only of actual and reasonable billable time expended by attorneys of \$28,013.50 and actual and necessary disbursements made by NP of \$75.60 during the Compensation Period. As demonstrated throughout this Application, the other factors typically considered in determining compensation - including complexity, results achieved, special expertise, magnitude of the matter, and

professional standing -- all militate toward the conclusion that the amount of compensation requested by NP is necessary, fair, and reasonable.

31. In light of (a) the complexity of these matters, (b) the results achieved, (c) the significant contributions made and time devoted, often under severe time constraints and to the preclusion of other matters, (d) awards of compensation in similar cases, and (e) other factors pertinent to the allowance of compensation, NP believes that the compensation sought herein is fair and reasonable and is authorized under the relevant provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, the Guidelines and the Local Guidelines.

32. All services for which compensation is sought were performed for and on behalf of the Debtor and its estate, and not on behalf of any other creditor or party in interest. NP is charging its standard hourly rate for professionals performing services. No payments have heretofore been made or promised to NP for services rendered, or to be rendered, in connection with these cases, except as described in this Application. NP has not entered into any agreement, express or implied, with any other party in interest for the purpose of fixing or sharing fees or other compensation to be paid for professional services rendered in this case.

## **VII. CERTIFICATE OF COMPLIANCE AND WAIVER**

33. The undersigned representative of NP certifies that he has reviewed the requirements of Del. Bankr. LR 2016-2 and that this Application substantially complies to that Local Rule. To the extent that this Application does not comply in all respects with the requirements of Del. Bankr. LR 2016-2, NP believes that such deviations are not material and respectfully requests that any such requirement be waived.

**WHEREFORE**, NP respectfully requests that this Court enter an order (a) directing the payment of (i) \$28,013.50 as compensation for the Compensation Period; and (ii) reimbursement of actual and necessary expenses incurred and recorded by NP for the Compensation Period in the amount of \$75.60; and (b) granting such other and further relief as this Court deems just and proper.
