D. Exclusivity Period

The Debtor shall retain the exclusive right to amend or modify the Plan, and to solicit acceptances of any amendments to or modifications of the Plan, through and until the Effective Date.

E. Effectuating Documents; Further Transactions

Any appropriate officer of the Debtor shall be authorized to execute, deliver, file, or record such contracts, instruments, releases, indentures, and other agreements or documents, and take such actions as may be necessary or appropriate to effectuate and further evidence the terms and conditions of the Plan. The secretary or assistant secretary of the Debtor shall be authorized to certify or attest to any of the foregoing actions.

F. Exemption From Certain Transfer Taxes

Pursuant to section 1146(a) of the Bankruptcy Code, the issuance, transfer, or exchange of a security, or the making of delivery of an instrument of transfer from the Debtor to any Person or entity pursuant to the Plan may not be taxed under any law imposing a stamp tax or similar tax, and the Confirmation Order shall direct the appropriate state or local governmental officials or agents to forego the collection of any such tax or governmental assessment and to accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment.

ARTICLE V.

ACCEPTANCE OR REJECTION OF THE PLAN

A. Classes Entitled To Vote

Each Impaired Class of Claims or Interests that will (or may) receive or retain property or any interest in property under the Plan, shall be entitled to vote to accept or reject the Plan. By operation of law, each Unimpaired Class of Claims is deemed to have accepted the Plan and, therefore, is not entitled to vote to accept or reject the Plan.

B. Acceptance By Impaired Classes

An Impaired Class of Claims shall have accepted the Plan if (i) the Holders (other than any Holder designated under section 1126(e) of the Bankruptcy Code) of at least two-thirds in amount of the Allowed Claims actually voting in such Class have voted to accept the Plan and (ii) the Holders (other than any Holder designated under section 1126(e) of the Bankruptcy Code) of more than one-half in number of the Allowed Claims actually voting in such Class have voted to accept the Plan. An Impaired Class of Interests shall have accepted the Plan if (i) the Holders (other than any Holder designated under section 1126(e) of the Bankruptcy Code) of at least two-thirds in amount of the Allowed Interests actually voting in such Class have voted to accept the Plan.

ARTICLE VI.

PROVISIONS GOVERNING DISTRIBUTIONS

A. Distributions For Claims Allowed As Of The Effective Date

Except as otherwise provided herein or as ordered by the Bankruptcy Court, distributions to be made on account of Administrative Claims and Priority Claims that are Allowed Administrative Claims or Allowed Priority Claims as of the Effective Date shall be made as of the Effective Date and will be deemed made on the Effective Date if made no later than 60 days after the Effective Date, or as soon thereafter as practicable.

Without limiting the above, in the event the Debtor fails to timely make payment in satisfaction of any allowed claim of the Texas Comptroller of Public Accounts (the "Texas Comptroller") pursuant to the terms of the Plan or such further order of this Court, and such failure is not cured within thirty (30) days after service of written notice from the Texas Comptroller to the Debtor, then the Texas Comptroller may (i) seek to exercise all of its rights and remedies under applicable non-bankruptcy law and/or (ii) seek such relief as may be appropriate in this Court.

B. Interest On Claims

Unless otherwise specifically provided by this Plan or the Confirmation Order, or by applicable bankruptcy law, post-petition interest shall not accrue and not be paid on Allowed Claims when due under the contract, agreement, or other instrument governing the terms and conditions of the obligation comprising such Allowed Claim.

C. Distributions

Prior to, and after, the Effective Date, the Debtor shall make all distributions required under this Plan (subject to the provisions of Articles III and VII hereof).

D. Means Of Cash Payment

Cash payments made pursuant to this Plan shall be in U.S. funds, by the means agreed to by the payor and the payee, including by check or wire transfer, or, in the absence of an agreement, such commercially reasonable manner as the payor shall determine in its sole discretion.

E. Delivery Of Distributions

Distributions to Holders of Allowed Claims shall be made by the Debtor, (i) at the addresses set forth on the proofs of Claim filed by such Holders (or at the last known addresses of such Holders if no proof of Claim is filed or if the Debtor has been notified in writing of a change of address), (ii) at the addresses set forth in any written notices of address changes delivered to the Debtor after the date of any related proof of Claim, (iii) at the addresses reflected

in the Schedules if no proof of Claim has been filed and the Debtor has not received a written notice of a change of address, or (iv) in the case of the Holder of a Claim that is governed by an indenture or other agreement and is administered by an indenture trustee, agent, or servicer, at the addresses contained in the official records of such indenture trustee, agent, or servicer, or (v) at the addresses set forth in a properly completed letter of transmittal accompanying securities properly remitted to the Debtor. If any Holder's distribution is returned as undeliverable, no further distributions to such Holder shall be made unless and until the Debtor, its agent, or servicer is notified of such Holder's then current address, at which time all missed distributions shall be made to such Holder without interest. Amounts in respect of undeliverable distributions made through the Debtor, agent, or servicer, shall be returned to the Debtor until such distributions are claimed. All claims for undeliverable distributions must be made on or before the second (2nd) anniversary of the Effective Date, after which date all unclaimed property shall revert to the Debtor free of any restrictions thereon and the claim of any Holder or successor to such Holder with respect to such property shall be discharged and forever barred, notwithstanding any federal or state escheat laws to the contrary.

F. Fractional Dollars; *De Minimis* Distributions

Any other provision of the Plan notwithstanding, payments of fractions of dollars shall not be made. Whenever any payment of a fraction of a dollar under the Plan would otherwise be called for, the actual payment made shall reflect a rounding of such fraction to the nearest whole dollar (up or down), with half dollars being rounded down. The Debtor, or any indenture trustee, agent, or servicer, as the case may be, shall not make any payment of less than twenty-five dollars (\$25.00) with respect to any Claim unless a request therefore is made in writing to the Debtor, indenture trustee, agent, or servicer, as the case may be.

G. Withholding And Reporting Requirements

In connection with this Plan and all distributions hereunder, the Debtor shall, to the extent applicable, comply with all tax withholding and reporting requirements imposed by any federal, state, local, or foreign taxing authority, and all distributions hereunder shall be subject to any such withholding and reporting requirements. The Debtor shall be authorized to take any and all actions that may be necessary or appropriate to comply with such withholding and reporting requirements including, without limitation, withholding distributions from any beneficiary who fails to provide a completed IRS Form W-9 or other requested tax information.

H. Setoffs

Except with respect to Claims of the Debtor released pursuant to the Plan or any contract, instrument, release or other agreement or document entered into or delivered in connection with the Plan or in the Chapter 11 Cases, pursuant to section 553 of the Bankruptcy Code or applicable non-bankruptcy law, the Debtor may setoff against any Allowed Claim and the distributions to be made pursuant to the Plan on account of such Claim (before any distribution is made on account of such Claim) the claims, rights and causes of action of any nature that the Debtor may hold against the holder of such Allowed Claim; *provided, however*, that neither the failure to effect a setoff nor the allowance of any Claim hereunder will constitute a waiver or

release by the Debtor of any claims, rights and causes of action that the Debtor may possess against such a Claim holder, which are expressly preserved under Article IV. C.

I. Rejection

On the Effective Date, and to the extent permitted by applicable law, all of the Debtor's executory contracts and unexpired leases that have not been previously rejected pursuant to an order of the Bankruptcy Court, will be rejected by the Debtor, unless such executory contract or unexpired lease:

(a) is identified as part of the Plan Supplement as a contract or lease that is being assumed pursuant to the Plan;

(b) is the subject of a motion to assume filed on or before the Confirmation Date;
or

(c) is the subject of an agreement, entered into on or before the Confirmation Date, between the Debtor and the counterparty to such executory contract to extend the time to assume or reject such executory contract to a date subsequent to the Confirmation Date.

1. Bar Date for Filing Claims for Rejection Damages

If the rejection of an executory contract or unexpired lease gives rise to a Claim, a proof of Claim must be served upon the Debtor and the Debtor's counsel within thirty (30) days after the earlier of (a) service of notice of entry of the Confirmation Order; or (b) service of such other notice that the executory contract or unexpired lease has been rejected; or (c) such other order of the Bankruptcy Court establishing an earlier date for the filing of such proof of claim. Any claim not served within such time period will be forever barred.

ARTICLE VII.

PROCEDURES FOR RESOLVING DISPUTED, CONTINGENT, AND UNLIQUIDATED CLAIMS

A. Objection Deadline; Prosecution Of Objections

As soon as practicable, but in no event after the later of (i) one hundred and eighty (180) days after the Effective Date (unless extended by an order of the Bankruptcy Court) and (ii) the date such Claim or Interest is filed and served upon the Debtor, the Debtor shall file objections to Claims and Interests with the Bankruptcy Court and serve such objections upon the holders of each of the Claims or Interests to which objections are made.

B. Estimation of Claims

The Debtor may at any time request that the Bankruptcy Court estimate any contingent or unliquidated Claim pursuant to section 502(c) of the Bankruptcy Code, regardless of whether the Debtor has previously objected to such Claim or whether the Bankruptcy Court has ruled on any objection, and the Bankruptcy Court will retain jurisdiction to estimate any Claim at any time

during litigation concerning any objection to any claim, including during the pendency of any appeal related to any such objection. In the event the Bankruptcy Court estimates any contingent or unliquidated Claim, that estimated amount will constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on such Claim, the Debtor may elect to pursue any supplemental proceedings to object to any ultimate payment on such Claim. All of the aforementioned objection, estimation and resolution procedures are cumulative and are not necessarily exclusive of one another. Claims may be estimated and thereafter resolved by any permitted mechanism.

C. No Distributions Pending Allowance

Notwithstanding any other provision of the Plan, no payments or distributions shall be made with respect to all or any portion of a Disputed Claim unless and until all objections to such Disputed Claim have been settled or withdrawn or have been determined by Final Order, and the Disputed Claim, or some portion thereof, has become an Allowed Claim.

D. Adjustment to Claims and Interests Without Objection

Any Claim or Interest that has been paid or satisfied, or any Claim or Interest that has been amended or superseded, may be adjusted or expunged on the Claims Register by the Debtor without a claims objection having to be filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

E. Disallowance of Claims or Interests

Any Claims or Interests held by an entity (i) from which property is recoverable under sections 542, 543, 550, or 553 of the Bankruptcy Code, and/or (ii) that is a transferee of a transfer avoidable under sections 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code, and such Claim or Interest may be subject to disallowance under section 502(d) of the Bankruptcy Code, then such Claim or Interest shall be treated as a Disputed Claim according to this Plan, and Holders of such Claims and Interests may not receive any distributions on account of such Claims and Interests until such time as such Causes of Action against that entity have been settled or a Bankruptcy Court order with respect thereto has been entered and all sums due, if any, to the Debtor by that entity have been turned over or paid to the Debtor.

F. Amendments To Claims

On or after the Effective Date, except as provided in herein or otherwise agreed, a Claim may not be filed or amended without the prior authorization of the Bankruptcy Court or the Debtor, and any such new or amended Claim filed shall be deemed disallowed in full and expunged without any further action or order of the Bankruptcy Court. Notwithstanding the above, nothing in this section shall be deemed to limit, alter or impair the rights of the Texas Comptroller of Public Accounts (the "Texas Comptroller") to amend its proof of claim without first obtaining the prior authorization of the Bankruptcy Court or the Debtor.

G. Distributions After Allowance

The Debtor shall make payments and distributions from the Distribution Reserve to each holder of a Disputed Claim that has become an Allowed Claim in accordance with the provisions of the Plan governing the class of Claims to which such holder belongs within ninety (90) days of such Disputed Claim being deemed an Allowed Claim.

H. General Unsecured Claims

Notwithstanding the contents of the Schedules, Claims listed therein as undisputed, liquidated and not contingent shall be reduced by the amount, if any, that was paid by the Debtor prior to the Effective Date, including pursuant to orders of the Bankruptcy Court. To the extent such payments are not reflected in the Schedules, such Schedules will be deemed amended and reduced to reflect that such payments were made.

I. Compliance with Tax Requirements/Allocations

In connection with the Plan, to the extent applicable, the Debtor shall comply with all tax withholding and reporting requirements imposed on it by any governmental unit, and all distributions pursuant hereto shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, the Debtor shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanisms they believe are reasonable and appropriate. The Debtor reserves the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support, and other spousal awards, liens and encumbrances.

J. No Release of Liens

No Liens against the property of the Estate will be released and discharged, and all of the right, title and interest of any holder of such Liens, including any rights to any collateral thereunder, shall attach to and be enforceable against the Plan Distribution Fund in accordance with and subject to the terms of the applicable Financing Agreement. All such Liens shall be fully released and discharged upon the holder of such Lien receiving its full distribution under the Plan or upon the Effective Date if the holder of the Lien is not entitled to any distribution under the Plan.

ARTICLE VIII.

**CONDITIONS PRECEDENT TO CONFIRMATION AND
CONSUMMATION OF THE PLAN**

A. Conditions To Confirmation

The Bankruptcy Court shall not enter the Confirmation Order unless and until (i) the Confirmation Order shall be reasonably acceptable in form and substance to the Debtor and

(ii) the Confirmation Order includes a finding of fact that the Debtor and its present and former members, officers, directors, employees, advisors, attorneys, and agents acted in good faith within the meaning of and with respect to all of the actions described in section 1125(e) of the Bankruptcy Code and are therefore not liable for the violation of any applicable law, rule, or regulation governing such actions.

B. Conditions To Consummation

The following are conditions precedent to the occurrence of the Effective Date, each of which must be (i) satisfied or (ii) waived in accordance with Article VIII.D. below:

1. The Confirmation Order, in form and substance reasonably acceptable to the Debtor, confirming the Plan, as the same may have been modified, must have become a Final Order and must, among other things, provide that:

(a) the Debtor is authorized and directed to take all actions necessary or appropriate to enter into, implement and consummate the contracts, instruments, releases, indentures and other agreements or documents created in connection with the Plan; and

(b) the provisions of the Confirmation Order are non-severable and mutually dependent.

2. All authorizations, consents, and regulatory approvals required, if any, in connection with the Effective Date shall have been obtained.

3. There shall not be in effect on the Effective Date any (i) order entered by a U.S. court or (ii) any order, opinion, ruling or other decision entered by any other court or governmental entity or (iii) United States or other applicable law, staying, restraining, enjoining or otherwise prohibiting or making illegal the consummation of any of the transactions contemplated by the Plan.

4. No request for revocation of the Confirmation Order under section 1144 of the Bankruptcy Code shall remain pending.

C. Substantial Consummation

On the Distribution Date, the Plan shall be deemed to be substantially consummated under sections 1101 and 1127(b) of the Bankruptcy Code.

D. Waiver Of Conditions

Each of the conditions set forth in Article VIII, except for Article VIII.B.4 (related to the requirement of Confirmation and entry of the Confirmation Order), may be waived in whole or in part by the Debtor without any notice to parties in interest except the Bankruptcy Court and without a hearing. The failure to satisfy or waive any condition to the Effective Date may be asserted by the Debtor regardless of the circumstances giving rise to the failure of such condition to be satisfied. The failure of the Debtor to exercise any of the foregoing rights shall not be

deemed a waiver of any other rights, and each such right shall be deemed an ongoing right that may be asserted at any time.

ARTICLE IX.

MODIFICATIONS AND AMENDMENTS

The Debtor may amend, alter or modify the Plan or any exhibits thereto under section 1127(a) of the Bankruptcy Code at any time prior to the Confirmation Date. After the Confirmation Date and prior to substantial consummation of the Plan, as defined in section 1101(2) of the Bankruptcy Code, the Debtor may, under section 1127(b) of the Bankruptcy Code, institute proceedings in the Bankruptcy Court to remedy any defect or omission or reconcile any inconsistencies in the Plan, the Disclosure Statement, or the Confirmation Order, and such matters as may be necessary to carry out the purposes and effects of the Plan so long as such proceedings do not materially adversely affect the treatment of Holders of Claims or Interests under the Plan; *provided, however*, that prior notice of such proceedings shall be served in accordance with the Bankruptcy Rules or order of the Bankruptcy Court.

ARTICLE X.

RETENTION OF JURISDICTION

Under sections 105(a) and 1142 of the Bankruptcy Code, and notwithstanding entry of the Confirmation Order and occurrence of the Effective Date, the Bankruptcy Court shall retain exclusive jurisdiction over all matters arising out of, and related to, the Chapter 11 Case and the Plan to the fullest extent permitted by law, including, among other things, jurisdiction to:

A. 1. Administrative Claims

The Confirmation Order will establish an Administrative Claims Bar Date for filing of all Administrative Claims, other than (i) any fees owing to the Office of the United States Trustee and (ii) any and all claims for fees payable pursuant to section 1930 of title 28 of the United States Code, which date will be forty-five (45) days after the Effective Date. Holders of

asserted Administrative Claims must submit proofs of Administrative Claim on or before such Administrative Claims Bar Date or forever be barred from doing so. A notice prepared by the Debtor will set forth such date and constitute notice of this Administrative Claims Bar Date.

2. Administrative Ordinary Course Liabilities

Except as the Court may order otherwise in connection with any request by the Debtor for the setting of a supplemental Administrative Claims Bar Date, holders of Administrative Claims that are based on liabilities incurred in the ordinary course of the Debtor's business shall not be required to file any request for payment of such Claims. Such Administrative Claims, unless objected to by the Debtor, shall be paid by the Debtor in Cash, pursuant to the terms and conditions of the particular transaction giving rise to such Administrative Claim. For the avoidance of doubt, Holders of Administrative Claims pursuant to section 503(b)(9) of the Bankruptcy Code **shall be required** to file a proof of Administrative Claim on or before the Administrative Claims Bar Date.

Notwithstanding any such holding, alteration or interpretation, the remainder of the terms and provisions of the Plan shall remain in full force and effect and shall in no way be affected, impaired or invalidated by such holding, alteration or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is valid and enforceable pursuant to its terms.

D. Successors And Assigns

The rights, benefits and obligations of any entity named or referred to in the Plan shall be binding on, and shall inure to the benefit of, any heir, executor, administrator, successor or assign of such entity.
